WORK EXPERIENCE

Business Consultant | Ernst & Young Pvt. Ltd. 2024

Chief of Staff

- Managed a **team of 50+** consultants, ensuring alignment with organizational priorities and smooth execution of projects
- Collaborated directly with executive leadership as Chief of Staff at EY to define and execute strategic initiatives, translating high-level priorities into actionable project roadmaps that enhanced organizational alignment
- Collaborated cross-functionally with leadership, operations, and sales teams to gather requirements, align strategic priorities, and drive data-driven solutions for business growth and risk mitigation.
- Acted as a liaison between consultants and the **Director**, escalating client-related issues and ensuring swift resolution.
- Developed real-time dashboards and structured MIS reports using Excel and Power BI to monitor key business metrics, improving decision-making speed and data accuracy for leadership.

Supply Chain Transformation

- Analyzed large datasets related to sales, logistics, and market trends to identify bottlenecks and optimize distribution routes, delivering a 15% improvement in supply chain efficiency and supporting sales performance tracking.
- Used Excel & Power BI to monitor KPIs and optimize distribution routes, enabling data-driven operational enhancements

Business Strategy & Process Optimization

- Standardized over **1000+** business requirements across South Asian markets, driving operational alignment and strategic consistency across primary and secondary sales functions
- Optimized end-to-end sales processes using **process modelling**, decision-making speed, and operational efficiency

Co-Founder | Acadose

2021

Entrepreneurship

- Co-founded an **EdTech startup** addressing India's \$62.5B education sector, leading GTM strategy & operations
- Reduced operational expenses by **₹2 lakh** through vendor negotiations, budget oversight, and cost-control initiatives
- Led the development of content strategy and brand positioning to establish the platform as a credible learning solution
- Recruited and managed a team of **25+ tutors**, enhancing both student outcomes and educator satisfaction

Ecommerce | Luxedrop

2023

E-Commerce & Digital Growth

- Scaled dropshipping and print-on-demand store to 6-figure revenue by optimized selection of products and suppliers
- Executed Meta Ads campaigns, achieving high ROAS and driving consistent growth across various product categories
- Managed content for Meta ads, leveraging insights and A/B testing to maximize engagement and conversion rates

INTERNSHIPS

Business Consultant Intern | Ernst & Young Pvt. Ltd. 2023

Procure-to-Pay

- Designed & delivered a **Go-To-Market** strategy and roadmap for procurement transformation aligned with Industry 5.0
- Built a dynamic **Power BI** dashboard and SharePoint site to streamline collaboration and support data-driven decisions
- Conducted competitor analysis of 6 players through secondary research using Gartner, Factiva, and industry reports

ACADEMIC PROJECTS

2023

- Retail Strategy:** Designed a market entry plan for IT accessories with pricing and vendor management
- Marketing Research:** Conducted primary research and analyzed 200+ responses using IBM SPSS
- Financial Analysis:** Assessed Godrej Consumer Products' financial health for investment comparison

CERTIFICATIONS & ACHIEVEMENTS

- Attained **Lean Six Sigma** White Belt certification showcasing proficiency in process & quality management
- Secured 1st place in **National Equity research and valuation** competition hosted by Antique Stock Broking Limited
